THE HALLOWEEN MENU

Care, Results & Botanicals

Before your visit

- ◆ Book a Signature Glow or deep-cleansing facial 3-7 days before the event so any pinkness settles; choose an Express Facial 1-2 days before.
- ◆ Skip deep extraction facials on the same day as a costume party, since skin can look pink afterward.
- ◆ Skip strong exfoliating acids and retinol for 1-2 days before your visit.
- ◆ Avoid heavy sun exposure or tanning for 24-48 hours before.
- ◆ Arrive with clean, ideally makeup-free skin and come 5-10 minutes early for your consultation.
- ◆ Tell your esthetician about any medications, allergies or skin conditions.

After your visit

- ◆ Remove Halloween makeup or face paint the same night: melt it with an oil-based or balm cleanser, follow with a gentle cleanser, and do not scrub.
- ◆ If skin feels irritated, stop and ask a doctor; a cleansing facial afterward helps reset congested skin.
- ◆ Do not pick at any spots that surface over the next 24-48 hours after extractions.
- ◆ Wear SPF daily, skip heavy makeup for about 24 hours and avoid heat (sauna, hot yoga, hot showers) for 24-48 hours.
- ◆ Hold off on strong actives (retinol, acids) for 1-2 days.
- ◆ After a Back-Clearing Facial, wear a clean, loose, breathable top that evening and sleep in fresh sheets.

What to expect

- ◆ Express Facial: skin can look plump, dewy and refreshed, with smoother makeup application.
- ◆ Signature Glow: skin can look cleaner, smoother and more even right away.
- ◆ Deep-Cleansing Acne Facial: pores can look visibly cleaner and skin calmer and clearer; small whiteheads may surface over 24-48 hours.
- ◆ Back-Clearing Facial: the back can look cleaner and smoother immediately; pinkness at extraction sites settles within hours.
- ◆ Results are cosmetic, temporary and vary person to person.

How often: Express every 2-4 weeks; Signature Glow about every 4 weeks; Deep-Cleansing Acne every 2 weeks at first, then every 4 weeks; Back-Clearing every 2-4 weeks over a series, then monthly.
